chapter 34

CRASH!!

How... could they
not worry for me when
I'm this clumsy...

*Everything recorded in
this file should never be
allowed to see the light of day.*

*Should this record ever
reach someone, it should be
an age where no one has
to worry about anything.*

*That, as you're trying
to make this world a
better place.*

*But if there's one thing I
hope above all else,*

*You're not
going to sleep?*

Honey.

Guess what came out of your suit?

www.325

Oh, shoot. I almost ran that through the washing machine again.

I have a habit of going through your pockets before washing your clothes now.

hahaha

When did that happen?

₩30,000=£27 USD

If there's one thing I hope for above all else,

it's that this record isn't seen by any of my family members.

*Even these
children...*

should have been raised...

*with love from
their parents.*

I wonder how long she'll last.

Other than #005,
#008 and #004 was
overused as well.

We need more
test subjects.

Thankfully, I
hear you've found
new candidates.

Take care of
their parents...

so that we
can continue our
research.
